THE GIRLS' HOME.

FIFTY YEARS

1856-1906

WHEN this Home was opened in 1856 it was a public nursery for Girls and Boys. After eleven years of struggle and many moves the present building was erected at a cost of \$14,000.

The ground was a gift from William Cawthra, Esq., and when opened on Dec. 22nd, 1868, was free of debt.

The Infirmary wing was built in 1885 and the School wing in 1890. Both these additions were made possible by the generosity of Mr. William Gooderham, who was ever a warm friend and generous benefactor to this home.

Annual Report of the Girls Home 1906

MINUTES OF ANNUAL MEETING.

The Fiftieth Annual Meeting of the Girls' Home was held on Wednesday, November 7th, at 4 o'clock, His Honor, Mr. Wm. Mortimer Clarke, presiding.

The children came in to music and, after the singing of "Jesus shall reign," the Rev. Mr. Plummer read a portion of Scripture and led in prayer.

The Chairman, in a brief address, encouraged the management to increased effort, touched on the great success of the Home and the invaluable work it has accomplished in its long record of fifty years. After the reports of the Secretary-Treasurer and Corresponding Secretary were read by the respective officers their adoption was moved by Mr. A. E. Kemp, seconded by Mr. H. O'Hara, and carried unanimously.

,The Medical Report was read by Dr. Patton, who moved its adoption. This was seconded by Dr. Giekie and carried. A motion song was charmingly sung by the children, and Mr. Maclean moved a resolution of thanks to subscribers, which was seconded by Rev. Mr. Wilkinson and carried.

After a Jubilee song, Dr. Giekie read the names of the officers and managers for the coming year, and in a few kind, encouraging words moved that the election be confirmed. This was seconded by Rev. Mr. Plummer, and carried.

It was moved by Mr. J. K. Macdonald, seconded by Mr.

Kemp, and carried unanimously, that the hearty thanks of the meeting be tendered Mr. Mortimer Clarke for his services as Chairman.

The meeting closed by Rev. Mr. Plummer pronouncing the benediction.

The Home was open to visitors and tea was served in the Board room.

SECRETARY'S REPORT.

Mr. Chairman, Ladies and Gentlemen:

The Board of Managers of the Girls' Home of Toronto desire at the expiration of the Fiftieth year to place before the public their Annual Report.

REPORT FOR 1906.

The Girls' Home completes this months the fiftieth year of its existence and we are happy to report a most prosperous one

The health of the children has been excellent, no case of serious illness having occurred during the past twelve months.

In this connection I might draw your attention to the fact that less than thirty dollars has been expended for drugs, and this amount almost wholly on disinfectants.

We feel that the excellent condition of the children is due in no small degree to the watchful, scrupulous care of our Matron, and also to the Physical Culture Classes still carried on by Miss Sternberg.

Our singere thanks are due to the Dean of the Royal College of Dental Surgeons for the good work done for our girls, a large number having received careful attention.

The children's school record is good, showing marked progress under the careful guidance of Miss Arbuthnot and

Miss MacMaster, and it is a pleasure to see the happy little ones in the kindergarten under the care of Miss Robinson.

Twenty-four of our older girls have received instruction in Domestic Science at the Lillian Massey School and are showing considerable progress. We acknowledge gratefully the kindness of the management in giving this training free of cost.

Our Sunday School has a splendid staff of teachers, and under the wise superintendence of Miss Sherman, we are able to report encouraging progress.

We have to mourn the loss of two of our managers, Miss Stark, who was most active and interested in the work, and Mrs. James Gooderham, one of our honorary members, to whom this Board is deeply indebted for loving interest in its affairs in past years.

The financial condition is most gratifying, and we are able to do something every year to make this institution more comfortable for the inmates. We spent this year about \$640 on necessary repairs, and our new fire escape is considered one of the best in the city.

We desire earnestly to thank all who have contributed so generously towards its support in any way, by work, contribution or donations.

We mention specially the Needle Work Guild, who have continued their generous donation of underclothing, and Messrs. Clayton, Waller and Ingham for their donation of meat every week throughout the year; Miss Sternberg for her great service to the girls; our medical officers for their attendance and kindness, and Mr. Lawson for the auditing of our books. We would also thank the Provincial and civic governments for their yearly grants, and acknowledge gratefully the following bequests: from the Leslie estate, \$200.00; from the David Walker estate, \$250.00.

The children have had many enjoyable treats and entertainments, among which was a Christmas tree laden with good things, dolls, etc.; their annual trip to the Exhibition, to which, through the kindness of the management, they are admitted free; a garden party at "Castle Frank," Rosedale, and an outing at Island Park, due to the kindness of Canon Dixon of the Fresh Air Fund and Mrs. Albert Gooderham.

And on September 27th, they were given the most delightful treat of the season in an automobile run about the city, High Park to Exhibition Park; then lunch was dispensed, after which games were played, races run, and prizes distributed, making a happy day, long to be remembered, and which we hope may be repeated.

During the year just closed one hundred and one children have been admitted, ninty-nine discharged, and we have in the Home to-day eighty.

Respectfully submitted.

CORRESPONDING SECRETARY'S REPORT.

Mr. Chairman, Ladies and Gentlemen:

As this Jubilee yeear closes our last Indenture Account, I thought a short explanation of why it ceases to exist would be in order.

On the twenty-third of April, 1887, the Indenture for service was commenced. Children were given out to parties furnishing suitable references on payment of five dollars in advance, to be applied to the general purposes of this Institution; and five dollars per annum unit1 the child was fifteen, then ten, fifteen, and twenty dollars for the next three years respectively. These last sums to be deposited for the benefit of the child, and given to her at the expiration of her time.

The majority of these children were indentured to farmers who had small holdings and were unable to pay for competent help; thus it often happened that our little girl be-

came in time a veritable Cinderella, the drudge of the household, and was frequently returned to us with stooping shoulders, her teeth in a wretched condition, and a very scanty wardrobe. Never having had any money, except perhaps her Sunday collections, she did not understand its value, and when she was eighteen years of age, and came into a sum of money ranging from forty to seventy dollars, it seemed to her narrowed vision a very large amount, and she straightway proceeded to spend it most foolishly, on probably a white silk dress, gold chain, and other unsuitable articles for her personal adornment, with such results the Indenture for service became rather unpopular with the lady managers, and it has been gradually abolished.

In 1900 we had thirty-three out in this way, and in 1903, ten, and in 1904 only two remained whose times expired this year.

With the rapid growth of our city and increasing population the call for domestics is great. We sometimes have thirty applications in one day, so that we find it an easy matter to secure good situations and satisfactory wages with people who are personally interested in the child and try to teach her to spend wisely and save a little each month. There is also the great advantage of being able to remove them at short notice if necessary.

We have seventeen adopted in different parts of Canada, and the reports from these have been very encouraging. We feel the enormous responsibility of placing children for adoption. In spite of good references from apparently reliable sources, errors have been made in this respect. During the year we brought back two. One of them was out of the city, and Mr. Kelso very kindly assisted us. The other had been for seven years in a home "clothed in purple and fine linen and fed sumptuously every day," but the "Bread of Life" was denied her, and her spiritual welfare entirely neglected.

Visiting the children in their homes in the city, and fre-

quent correspondence with those who are far away, is, to me, a great privilege and a labor of love. They are so responsive, and any love or sympathy I have extended to them has been returned to me fourfold. It is like all the Master's work, we receive so much more than we give. The following is one of the numerous letters received during the past year:

"Dear Friend,—I received your letter Tuesday, and oh. how glad I was to get it. I go to school every day. I like to go to school very much. I am eleven years old now. Well, I must describe the place I live in. We are in a little valley surrounded by mountains covered with trees; and you can't guess how lovely it is. All sorts of flowers grow here, such as violets, May flowers, butter-cups, anemonies, cow-slips, lillies of the valley, sweet maid of Erin, and hundreds of others. There are three churches here, Presbyterian, English and Methodist. We generally go to the Presbyterian church and to Sunday School at the Methodist. I am rarely sick, but when I am, I am sick enough. I am well at present and hope you are too. Give my love to Mrs. Duncan; tell her I thank her for her kindness to me. I remain, most lovingly to my friend. Gladys Muriel."

It is eight years since I undertook the work of Corresponding Secretary to this Home, and I embrace this opportunity of thanking Mrs. Duncan for her unfailing courtesy and valuable assistance during that time. I have had occasion to visit the Home many times and have always found her post, either working in the interests of her very large family, or giving her kind sympathy and wise counsel to some of the parents, and urging them to meet the small payments they had promised for the support of their little ones; thus bringing the fee money to a figure never before attained and at the same time preventing parents and children from degenerating into paupers.

She has gained their confidence to such an extent that they often intrust her with money till they have saved enough for their winter clothing or coal. The uplifting of humanity is a grand work; and the Lord has prospered this Home in the past, then let us not be weary in well-doing, but enter the Master's vineyard, feeling our responsibility, and with a desire to labor, and if need be, endure for His dear sake.

MEDICAL REPORT.

Mr. Chairman, Ladies and Gentlemen:

The Medical Staff beg leave to present the following report:

The year of 1906 has been an exceptionally healthy year for the children in the Girls' Home. Just about fifty (50) professional visits have been made, inclusive of those made by members of the staff, to children while in different hospitals. Mary Shank was sent to the Western Hospital for Epileptic Fits and is still there under treatment. Three children were sent to the General Hospital in October for Tinea Tonscerans. Two children were sent to the Children's Hospital in June, and Christina Campbell was sent to the Western Hospital with Tuberculosis.

We regret, however, to have to report the death of one little girl, Ethel Pooler, who succumbed to heart failure in the Sick Children's Hospital.

Of course there were other minor complaints which claimed our attention, but which are not necessary to remark upon. We are pleased to report that on the whole for so large a number of children very good health has been enjoyed.

We would like to repeat what we said last year that much of this well-being is due to the Matron, who on all occasions gives our instructions prompt and unfailing attention, and by so doing relieves us of much anxiety.
